HERNIA BRIEF

Model No: 67-500

Sizes: Small - XXLarge

Color: White

IMPORTANT INFORMATION

Use this product only under the supervision of your physician and only for **REDUCIBLE** hernias (can be pushed back). A hernia should be inspected daily to ensure it is not becoming infected or developing into a more serious non-reducible hernia. Your hernia brief should be removed and the area checked frequently.

A non-reducible hernia can become life threatening if part of the intestine gets trapped or "strangulated" in the opening. This can lead to dangerous complications such as obstruction of the flow of intestinal contents or blood, leading to tissue death and gangrene. The symptoms of intestinal obstruction are nausea, vomiting, loss of appetite, or increased abdominal pain.

A strangulated hernia is an emergency situation that usually require immediate surgery.

Finally... Gentle Relief from Reducible Inguinal Hernias in a Brief!

The Soft Form® Hernia Brief offers gentle relief from reducible inguinal hernias by providing adjustable and comfortable compression. Low in profile and white in color, it can be worn inconspicuously under most clothing. May be worn in lieu of a regular undergarment and, with hernia support built into the brief, eliminates the need to wear both a regular undergarment and a bulky truss.

Built-In Hernia Support

Hernia pad pockets are sewn into the brief and eliminate the need to wear both an undergarment and a truss.

Adjustable Compression Straps

Hook and loop straps are easily adjusted for a comfortable, customized fit. The short, narrow straps create the ideal amount of focused compression without bulk or binding.

Flexible, Removable Foam Cushions

Designed to provide constant, gentle and comfortable compression on the weakened muscles, reducing the hernia by pushing it back. Brief includes a right and left pad and either pad can be removed to treat a single hernia.

Soft, Comfortable Materials

Made with a soft and cool polyester/spandex fabric. Plush waistband is also extremely soft and allows for comfortable, extended wear without pinching the skin.

LATEX FREE.

**A truss and
undergarment in one!**

Size	Fits Waist
XSmall	28 - 30"
Small	32 - 34"
Medium	36 - 38"
Large	40 - 42"
